In Dedication

We, the Class of '54, feel no other person to be more deserving of the 1954 dedication than Mr. T. V. Bancroft, our principal.

During the eighteen years which Mr. Bancroft has been at Westerville High he has easily won the deep respect and admiration of the student body. To us, he represents a humanizing influence which sees each student as an individual and an adult.

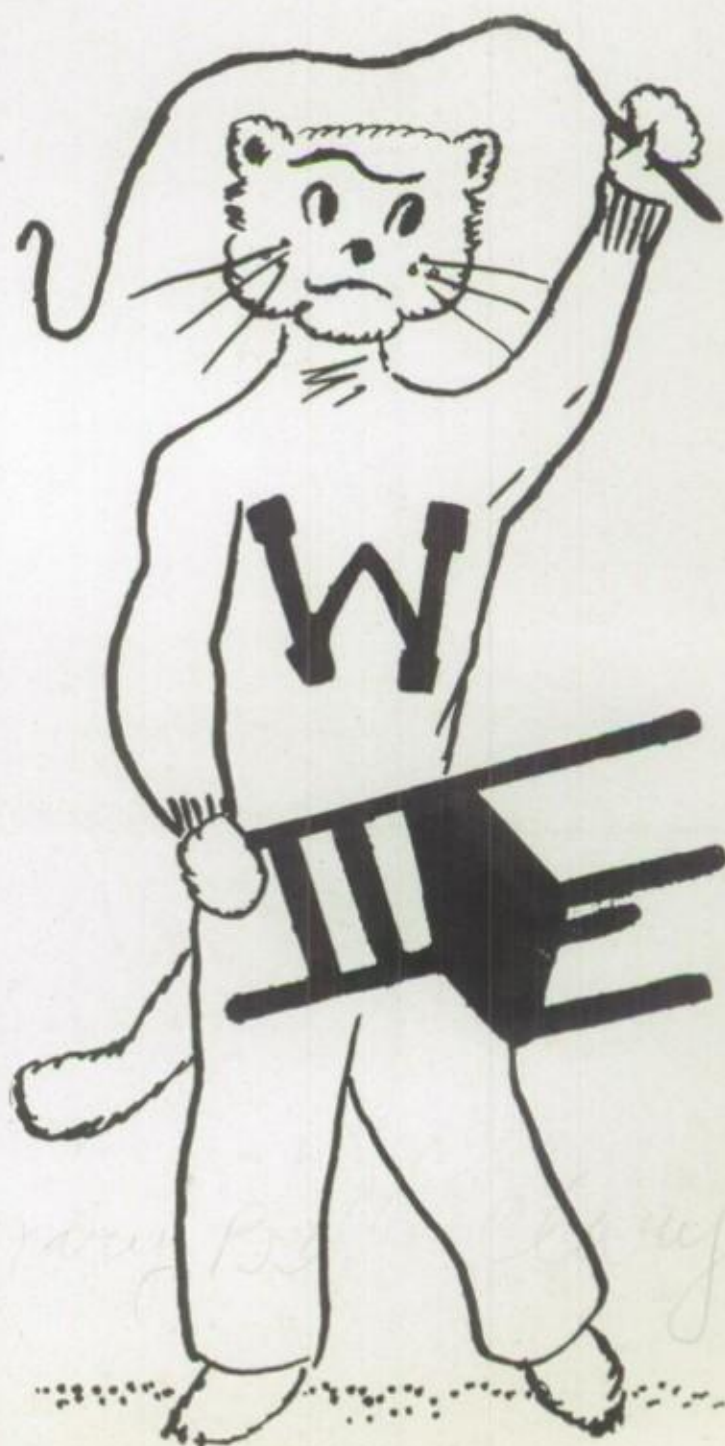

His assistance with the 1954 Searchlight has meant a great deal to all those who have had a part in its publication.

None of us will ever look back on the six years at W. H. S. without remembering the genial "man behind the desk." Teen-age problems which seem the greatest in the world are understandably solved by Mr. "B" who never hesitates to say, "Come in any time—be glad to help."

Senior Class Officers

The planning of all the senior projects and social activities—Civil Defense meetings, class parties, Tramp Day, etc.—which occurred during the past year was designated to the senior class officers.

They are—pictured below, from left to right—Ruthann Stanfield, social chairman; Don Yantis, vice president; Martha Hofmann, secretary-treasurer; and Ken Cole, president.

Honor Students

Holding the cherished and coveted title of "1954 Honor Students" are, from left to right, Glenda Bergman, Joyce Miller, Dennis O'Keefe, Martha Hofmann, and Ruthann Stanfield.

To achieve this top scholastic rating, students must maintain an A or A-average throughout their four years of high school.

Extra! Extra! Read all about it! T. V. Bancroft lands principal's position at WHS in 1936 as little Wildcats appear across the nation . . . Extra! Extra!

At last the day arrived when these Wildcats descended upon the halls of Westerville High School, and little did anyone know what was ahead.

The seventh grade started with a "bang" for future Mid-Six champions, **Eddie Billman** and **Mike Hanley**, who were playing hard with "Tillie's" Kittens. **Jo-Ann Holtsberry** and **Edna Staley** cut off the cherished pigtails to create a more mature appearance while **Dennis O'Keefe** was playing Rudolph Valentino with all of the females and presenting his picture to all of the little lovelies. Another romance was in bloom with **Wendel Miesse** writing very emotional love notes to **Helen O'Dell**, who kept each one in a shoe box which she hid underneath her bed. **Paul McIntosh** seemed to have caused quite an uproar in English class by displaying his talent with the yo-yo.

The Minerva Park Cats with their "gang leader," **Sandra Haag**, came to join us in the eighth grade. They brought **Glenda Bergman**, whom we discovered played the piano very well. **Miss Harley** was quite disturbed, for **Dean Hard** insisted on bringing forth his best talents in homeroom to entertain **Lillian Howard** by telling his best censored jokes. In the halls **Joan Smith** and **Nancy Tepper** were running quickly to hide, for **Walter Shelley** just loved to hit and strangle these girls.

The ninth grade brought many grown-up touches to our classes. Our newly elected cheerleaders were **Gayle Davie**, **Rowlanda Lintner**, **Zoe Bargdill**, and **Marilyn Rose**. **Nancy Whipp** and **Shirley Gallogly** had at last become part of the Senior Band—with all of those upper classmen. **Margie Nutt** and **Gayle Davie** were quite often seen taking the very long way home so that they could pass the fraternity houses. Great discussions were held in General Science class. It seems that **Roger Bell** had discovered a new species of bird unknown to mankind. **Josephine Madden**, **Shirley McClary**, and **Marian Miller** could never get into homeroom on time, and **Verda Ramey** spent quite a bit of time with **Mr. O'Connell** after school.

New wildcats came on the scene as we entered the sophomore year. **Frank Brill** embarrassed quite a few people in Latin class with his loud talking. You see, he had not yet learned to whisper. **Don Streets** and **Bill Skaates** were working hard on their track records, and **Don "longshot" Yantis** helped the golf men to win the second Mid-Six trophy. **Jim Singer** contracted a serious allergy toward girls; and **Dick Close**, **Dave Hall**, **Paul McDannald**, and **Bob Wren** perfected a great disappearing act during the rush for Holly Prom dates. At our first class party we thrilled to the music of **Norma Robbins** and her accordian. **Suzie Rhodes** held the honor of being the attendant to the "Sweetest Girl," Jackie Cooper.

At the opening of the junior year, the Wildcats found themselves in many organizations and other activities. **Helen O'Dell** and **Barbara Sullivan** represented our class on the Fall Homecoming court as did **Marian Busic** at the Winter Homecoming. The arrival of **Nancy Parsons** and **Tom Blakemore** lengthened the list of little wildcats while the loss of **Susan Allison** and **Don Wells** offset that gain. The long awaited class rings finally arrived and—after the distribution by **Martha Hofmann**, class secretary—were proudly displayed to all. **Jeanette Homer** kept all chemistry students on their toes for she delighted in making mistakes and mixing up a little chemical confusion. Our Junior class play, "Three Blind Dates," drew the largest audience ever. **Kenny Cole** really enjoyed that kissing scene in the second act, for his leading lady was—yes, you guessed it—his fourth grade flame, **Marilyn Rose**. One highlight of the year was **Wade Barghausen's** new car. He now came breezing to school in this luscious light green convertible while **Herman** "better-late-than-never" Jooss still bounced to school in his little red jeep. The sixth period typing class was certainly glad that **Betty Sergeant** was born on a school day, for they celebrated her birthday with cokes for all. At the end of the semester **Doris Shaw** and **Alice Matz** were leading in typing, but a few of us retarded ones were still hunting and pecking. **Herbert Stout** talked so much in speech class that we wondered who was the teacher—**Mrs. G.** or **Herbert**. To end a great year for honors, **Ruthann Stanfield** won the first prize in the state for her essay on Tuberculosis and was also elected editor of the annual.

When the long awaited year came, we discovered that we didn't feel (or act) so grown up after all. **Bob Edwards** had lettered so many signs and posters for **Mrs. G.** that he began to hang them in "Senior Alley" for public display. **Ralph Brehm** and **John Zimmer** were properly confusing both the physics class and its teacher with their theories on everything from A to Z. Fall Homecoming was a big success with Queen **Joyce Miller** reigning majestically over all. **Shirley Metcalf** ran a taxi for all girls without cars, and **Emily Bale** made pizza for all those with Italian blood and big appetites. **Judy Lumbatis** joined our group from Reynoldsburg and was all the rage with her long curly hair. As the year progressed, **Rowlanda Lintner**, **Phyllis Mann**, and **Marian Busic** became the proud owners of diamond rings while **Janet Slack** pined away with a serious case of "bell-bottom blues." **Dennis O'Keefe** came out on top again and added to his long list of honors a scholarship from Wittenberg College. A long desired sports record and scrapbook was at last started by sports-reporter, **Larry Rood**. The vocal chords of three local lovelies were being exercised to form a Senior Trio of **Erna Lund**, **Jennie Sprague**, and **Emily Bale**. The walls of the halls and rooms became sparkling clean as **Ralph Smith** with his twin buckets worked during free periods and after school under the close supervision of **Mr. Scarfpin**. Winter Homecoming, the Senior Class play and the Junior-Senior Banquet and Prom brought to a close this wonderful year. Now there was only one more step to go — Graduation.

As each little Wildcat marched across the platform to receive his diploma, parents, relatives, and teachers had to admit that these young ladies and gentlemen were quite a bit tamer than they had been six years previous.

The Juniors have money-making year

The Junior-Senior is the big climax for a lot of important events that our young Junior Wildcats will remember.

Leading up to the final social event of the year are many money-making projects. Selling Christmas Cards, and numerous paper drives throughout their high school career helped "fatten the junior piggy bank." Combining work with fun, the Juniors proved they could tackle any job assigned to them.

"The Happier We'll Be," a comedy in three acts, starring an entire cast of Juniors combined work and play and helped our cats earn the money which will be used not only for the Junior-Senior, but also the 1955 *Searchlight* and other events in the Senior year.

A member of the class, Dawn Watterman, was chosen from a group of fine young would-be-writers to be editor of the next *Searchlight*.

In the fields of sports, the class of '55 contributed a great deal to WHS. Track, baseball, basketball, and football teams benefited from the assistance of the Junior members of the squads.

Many other "momentous occasions" occurred this year for the class. The terrifying tryouts for the class play and choosing the representatives for both Boys' and Girls' State were packed full of suspense.

Tops on the list of activities will always be the Junior-Senior, when they play hosts to the graduating class—planning, arranging, and preparing the entire event—assisted by their advisers, Mrs. Mary Belle Clary, Mr. Kenneth Weiss, and Mr. Virgil Ashcraft.

SOPHOMORES

The Sophomers, our pint-sized "junior Wildcats," have now completed their second year in the den of WHS. For the first time, some very lucky Sophs found their lockers were right up to the top floor, where the seniors used to be. The dreaded task of being initiated into Y-Teens, will long be remembered by the ladies of the class. Two class parties, the Sophomore Hop and a scavenger hunt, made sure it wasn't all work and no play for our growing 'Cats. The final important event of the year was ordering class rings, which will be anxiously awaited by our Sophomores.

FRESHMEN

As they began their first year as real honest-to-goodness high schoolers, the "baby Wildcats," now grown up out of the Kitten class, elected their first class officers. A talent show and another class party marked the two big social events for the year. For the first time the masculine set formed a basketball team all their own, coached by Chuck Owen.

Coach Ken Weiss, with the aid of his two assistants, Jerry Hartman and Chuck Owen, made his initial season as Westerville football coach a very successful one as the Cats compiled a season record of five wins, two losses and one tie, finishing third in the Mid-Six race.

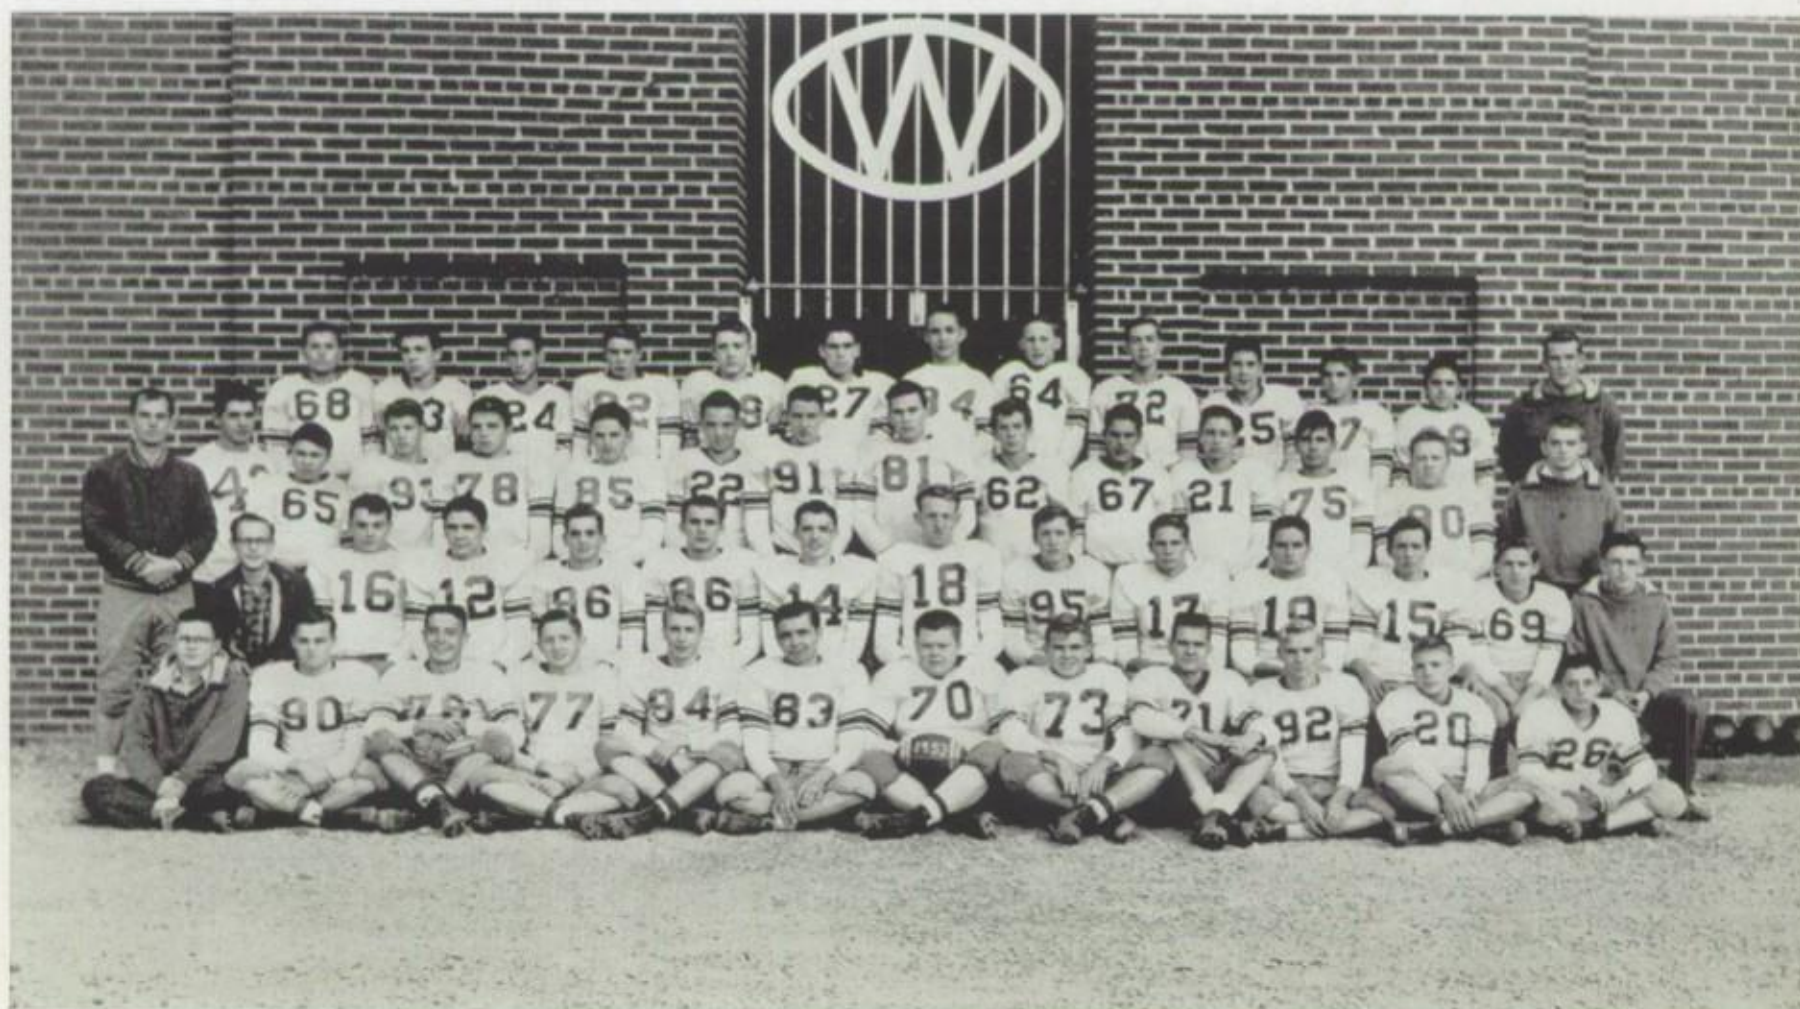

Five Wildcats were named on the coaches' All Mid-Six team. Eddie Billman was picked on the offensive unit and Dick Close, Walter Gaiser, Neil Gorsuch, and Don Townsend on the defensive eleven. Those receiving honorable mention included Mike Hanley, Dean Hard, Paul McIntosh, and Hans Schneider.

BIG WALNUT

The Cats opened the '53 season in a big way, September 19, as they invaded Big Walnut of Sunbury and humbled the Eagles 31-0. Dick Close led the scoring with two TD's, one on a 30-yard pass-interception. Don Yantis and Don Townsend each claimed one touchdown while Don Keyes and Ed Smith had safetys. Paul McIntosh looked very sharp at quarterback in throwing two touchdown passes.

HAMILTON TOWNSHIP

Westerville's first home game, September 26, resulted in a 7-0 decision over Hamilton Township. Don Townsend scored the game's only touchdown on a 1-yard plunge after Paul McIntosh had passed to Dick Close for 31 yards. In the fourth quarter the Wildcats had a 41-yard touchdown pass from Dick Close to Neil Gorsuch called back.

WORTHINGTON

On October 2, the Cats journeyed to Worthington to open Mid-Six play and held the Cards to a 0-0 tie. Both teams had two scoring opportunities, but all were broken up. Midway in the third quarter the Cards had the ball on the Westerville 7-yard line only to have Paul McIntosh intercept a pass and return it 32 yards. In the fading minutes with Close and Townsend carrying the ball, Westerville moved to the Worthington only to have time run out.

HILLIARDS

Hilliards came to town, October 9, and the Cats proved victorious, 6-0. The score came in the second quarter as Don Townsend cracked over from the 11. Ed Smith had recovered a fumble several plays earlier on the 16 to set up the score. Townsend again highlighted the game in the final period as he rambled for 42 yards to the Hilliard 18. Guard Hans Schneider threw a beautiful key block.

MARYSVILLE

Westerville's victory string of three wins and one tie and their unscored-upon record ended at mid-season. Marysville's Monarchs proved to be the spoiler as they handed the Cats their first setback on October 16 by a score of 13-0. The Cats' only real scoring threat came in the first quarter, but they were stopped on the Marysville 18. Dick Close prevented another Marysville TD in the final seconds as he intercepted a pass on the Westerville 2-yard line.

GROVE CITY

October 23 the Cats journeyed south to meet undefeated Grove City in their homecoming game. The Greyhounds remained undefeated as they gave Westerville their second loss to the tune of 24-20. Dick Close and Don Townsend shared scoring honors for the Wildcats in a very rough game which saw several boys placed on the injured list.

LONDON

On October 29, Westerville really made it a homecoming victory for Queen Joyce Miller and her court as they ran roughshod over the London Red Raiders, 28-0, to clinch third place in the Mid-Six. Dick Close's passing wizardry really paid off as he connected with two touchdown aerals, one to Don Townsend for 16 yards and another to Neil Gorsuch for 10. Dick also scored on a 20-yard jaunt around left end. London's only scoring threat which came in the third quarter backfired on them as they fumbled on the Westerville 15 and the Cats' Don Townsend recovered. The following play Townsend hit over tackle for 85 yards and a touchdown. Tackle Ronnie Gerhardt cleared the last Raider from Don's way. Mike Hanley and Dean Hard completed the scoring with two extra points each.

MARION-FRANKLIN

The Cats closed their season, November 6, just as they had opened it, with a shut-out victory. The margin of victory over Marion-Franklin was 37-0. Dean Hard, playing his last game as halfback for Westerville, was the big fun as he scored his first four touchdowns of the year on runs of 39, 35, and 6 yards and also on a 4-yard pass from Dick Close. Close passed to Don Townsend for another TD and scored on a thrilling 50-yard return of a pass interception.

The "Senior Team" of Roger Bell, Eddie Billman, Tom Blakemore, Dick Close, Mike Hanley, Dean Hard, Wendel Miesse, Walter Shelley, Ed Smith, Don Townsend, and Don Yantis looked good in their last game for the Cats. Senior Halfback, Paul McIntosh, missed this game due to injuries.

WESTERVILLE HIGH RESERVE FOOTBALL '53 - '54

The Westerville reserve football squad, composed of freshmen and sophomores under the coaching of Chuck Owen, finished their first season in the black as they racked up a record of two wins and one tie.

Not only were the victories impressive, but this team should provide some excellent Wildcat material for next year's varsity.

End Jerry Mann led the scoring parade with 18, followed by Dave Bumgarner, Don Fisher, Vic Meyer, and Wally Schott with 6 each and Phil Siler with 2.

Don Townsend, Dick Close, Don Yantis, and Paul McIntosh await the tip from Mike Hanley opening Westerville's 69-62 win over Hilliard.

Westerville's final season record under Coach Jerry Hartman, was just under the 500 mark, finishing with nine wins and ten defeats.

In the Mid-Six the Cats were even with a 5-5 mark as they were tied with Worthington for fourth place.

The mediocre season did, however, produce some individual stars as Don Yantis was placed on the first Mid-Six team, All-Star group, while Dick Close and Mike Hanley earned second team berths. Yantis' place was a repeat from last year's All-Star quintet.

LINDEN McKINLEY (There) DEC. 1

Westerville dropped their season opener, 77-54, on the home court of Linden McKinley. The Cats led early in the game, but the City Leaguers just showed too much class. Dick Close and Mike Hanley looked good on defense while Don Yantis and Don Townsend led the scorers with 15 and 13 each.

GRANDVIEW (Here) DEC. 4

The Cats' initial home game still saw them in the red as they bowed to Grandview, 83-54. Don Yantis was again high with 14, followed by Dick Close and Don Townsend with 11 each. Paul McIntosh saw his first action after recovering from a football injury and contributed four charity tosses.

HAMILTON TOWNSHIP (Here) DEC. 8

In their third time out Westerville finally proved victorious when they subdued Hamilton Township of the Franklin County League 74-62. The game was on fairly even terms until the third period when the Cats cut loose for 30 points on 14 baskets and two free throws. Dick Close and Don Yantis copped 22 between them. Each ended up with 18 but Don Townsend was tops with 19.

CIRCLEVILLE (There) DEC. 11

Westerville continued their winning ways at the Circleville Coliseum, edging past the Roundtowners, 52-50. Yantis hit his single game scoring high with 22. Townsend followed with 12 while Hanley was a demon under the boards. Townsend and Hanley iced the game with baskets in the closing seconds.

BIG WALNUT (There) DEC. 15

Dick Close tossed in 23 markers to lead the Cats in a 63-32 rout of Big Walnut. Dick really took a liking to the Sunbury gym and was hitting from every direction. Don Townsend followed with 12.

GRANVILLE (Here) DEC. 18

Westerville's three-game winning streak came to an end at the hands of the Granville Blue Aces, 59-42. The game was definitely won at the foul line with the Aces swishing in 25 to only 12 for the Cats. Close and Townsend each hit for 10 and McIntosh for 7. Eddie Billman and Bill Low saw action and chipped in five points between them.

MT. VERNON (Here) DEC. 22

Mt. Vernon's usual speedy fast break, together with some terrific rebounding, led to the Wildcats' fourth set-back, 75-64. Close and Townsend both hit for 17 and Yantis garnered 16, but it was Paul McIntosh, who kept the Jackets on their toes with his sparkling ball handling and accurate set shooting.

ALUMNI (Here) DEC. 30

Westerville High came out on top, 69-58, in the first annual ALUMNI game. The grads took a one-point lead at the first quarter mark, but the younger generation came back strong and were never headed. Four of the starters found their names in double figures with Don Yantis heading the pack with 17 followed by Mike Hanley and Don Townsend with 15 and Paul McIntosh with 13.

MARYSVILLE (Here) JAN. 5

The Cats opened Mid-Six play on the winning side of the ledger as they smothered Marysville, 74-63. After totaling only six points in the first period, the locals really got hot and averaged over 20 points in the remaining quarters. Dick Close totaled 22 and Don Yantis 19, but Mike Hanley put the game on ice in the final period as he scored 12 of his 13 total points.

HILLIARDS (Here) JAN. 8

Westerville picked up their second consecutive league victory by employing a successful full court press as they knocked off Hilliards, 67-62. Close was again high man with 26 followed by Townsend with 19. Hanley took charge of the bankboards, while Yantis and McIntosh played a fine floor game.

GROVE CITY (Here) JAN. 15

Grove City ended the two-game win streak by conquering the Cats, 68-57, in the last contest of a six-game home stay. Dick Close was again Westerville's high in the scoring column with 16. Mike Hanley and Paul McIntosh each flipped in 13.

WORTHINGTON (There) JAN. 22

The Cats took a dislike to the new Worthington gym and found themselves on the short end of a 58-50 score. Ed Billman found himself in the starting five and played a cool floor game while hitting four markers. Don Yantis and Mike Hanley hit 16 and 12, respectively.

LONDON (There) JAN. 26

London's Red Raiders tripped up the locals, 58-56, in an overtime game at London. The Cats fought an uphill battle and led by two points with seconds to go when the Raiders tied it up and sent the contest into overtime. London hit one bucket in the extra period to clinch the game. Close was high with 19 followed by Townsend with 14.

MARYSVILLE (There) JAN. 29

Marysville gained revenge from their earlier setback by downing the Cats 49-43. Westerville led for three periods, but the Monarchs forged ahead in the final quarter. Dick Close and Don Townsend swished in twenty-five points.

HILLIARDS (There) FEB. 5

After dropping four straight, the Cats finally got back in the win column, downing Hilliards 60-55. Mike Hanley and Dick Close dropped through five points in the last thirty seconds to preserve the win. Hanley led the scorers with 18.

GROVE CITY (There) FEB. 12

Westerville hit for fifty percent of their shots in the second half of the Grove City contest, but the rally fell just short of the mark, and the Greyhounds edged out a 67-62 decision. Neil Gorsuch and John Worley broke into the starting line-up while Dick Close was high with 19.

WORTHINGTON (Here) FEB. 16)

This was really the game of the year as a packed Westerville auditorium saw the Cats take an 82-80 overtime win over the Worthington Cardinals. Paul McIntosh was the Wildcats' ace in the hole in this game, scoring with two free throws with six seconds remaining in the overtime. Paul played an excellent floor game and was in the Cards' hair all evening. Four Cats hit double figures with Townsend grabbing 23, Close 19, Yantis 18, and Hanley 10.

LONDON (FEB. 19) (Here) HOMECOMING

The Cats closed the Mid-Six with a win over London, 67-61. It was Winter Homecoming, and the team put on a fine show for Princess Ruthann Stanfield and her court. Don Townsend bucketed 20 while Mike Hanley hit for 17.

GREENFIELD-McCLAIN (There) FEB. 26

Westerville journeyed some sixty miles for the last regular season game, but it was to no avail as they were swamped by Greenfield-McClain, 79-41. The game saw four "Wildcats" leave the game on personal fouls. Close hit eleven markers and Hanley, 10.

NEWARK (Tournament)

The "tournament jinx" plagued the Cats again this year. They went down to defeat before Newark of Licking County, 68-37. Don Yantis was the bright spot with 12 points.

MID-SIX ALL STAR (Grove City)

Westerville's three members of the Mid-Six All-Star team—Dick Close, Mike Hanley, and Don Yantis—played a major role in the Stars' defeat of the league champion, Grove City, 70-64. The three Cats poured in 18 points between them.

Westerville Alumni

Friday evening, December 30, was the big night for the first Westerville-ALUMNI basketball game. It was a very close contest for three quarters but in the last period the Cats chalked up 16 points to the ALUMNI'S 10 to take a 69-58 victory. The reserve contest went to the ALUMNI 41-31.

J. W. Scarfpin, former WHS basketball coach, rose out of his coaching retirement to coach the ALUMNI varsity while W. R. "Tilly" Franklin, former junior high coach, led the ALUMNI reserves.

Westerville had their biggest scoring spree of the game in the third quarter as they racked up 21 points with Don Yantis and Paul McIntosh picking up 7 each. In the final period the scoring honors went to Mike Hanley and Don Townsend who bucketed 7 and 5 respectively.

Yantis ended up with 17 while Hanley and Townsend claimed 15 and McIntosh 13. Carl Clapham was high for the ALUMNI with 11 followed by Bob Smith with 8 and Jim Vaughn with 7.

In the reserves game there was a shooting contest between two Johns. John Worley of the high school reserves wound up on top with 19 followed by John Thompson of the ALUMNI with 12.

The 1953 Westerville baseball nine coached by J. W. Scarfpin played a ten-game season last year as the Mid-Six experimented with a summer program with all games being played on Saturdays.

The Cats finished in a tie for fourth in the standings with London taking the crown.

Paul McIntosh and Dean Hard were the leading hitters while Ken Gorsuch was the standout in the pitching department.

Marilyn E. Miller

On October 29th the 1953 Homecoming Queen, vivacious Joyce Miller, was crowned by Don Yantis, captain for the game. The attendants were Helen O'Dell and Marian Busic of the Senior class, and Donna Holmes and Marilyn E. Miller of the Junior class. The escorts were Seniors, Frank Brill, Bob Edwards, Kenneth Cole, and Juniors, Don Bierly and Alan Thompson. Paul McIntosh, honorary co-captain, was unable to play in the game because of injuries.

The Homecoming assembly was a "stream-lined" version of CINDERELLA, written and produced by the dramatic class under the direction of Mrs. Lillian B. Gossett. Contrary to tradition, the Queen herself portrayed the role of Cinderella.

That night at the field Queen Joyce presented the football for the game to Captain Don. The Cinderella theme was further carried out as the band, under the direction of Forrest A. Becker, saluted our royalty with clever half-time formations.

The dance following the game was a true Victory Ball, the team having defeated their London opponents, 28-0.

leading the team to victory are the

Cheerleaders

"Fight harder!," "Come on, team!," "Let's go, fellas!," shout six very enthusiastic backers of our Wildcat team. The loyal boosters are the WHS cheerleaders—Seniors, Zoë Bargdill and Marilyn Rose—Juniors, Agnes Lane and Jo Leigh Woodburn—and Sophomores, Pam Snavely and Sue Beatty.

Listed among their special activities and achievements for the year was the Mid-Six Cheerleaders meeting where they were hostesses to the other cheerleaders for the fall meeting. Another "special" on their list was the annual basketball tournament. For the first time this year, the mothers of the six girls were invited to attend the basketball Mothers' Night and were present at the tea given in honor of the mothers of the team following the game.

The 1953-54 cheerleaders will long be remembered for their new uniforms as a complete change from the conventional red skirts and white sweaters to deep red matching skirts and sweaters was made.

Mrs. Rebecca Rupert is the counselor of this group.

solving our problems is the

Student Senate

When T. V. Bancroft announces, "There will be a meeting of the Student Senate at 12:20." everyone knows that some important project requires attention.

The presidents of all school organizations and classes combine to form the Student Senate of Westerville High School. The various charity drives, such as the Community Chest, the Junior Red Cross and the Polio Drive, the fall and winter homecoming festivities, and all dances following basketball games are sponsored by the "prexies."

The senate officers are: Kenneth Cole, president; Don Yantis, vice president; Joyce Miller, secretary. Co-operating with these officers are the other members of the council: Emily Bale, Glenda Bergman, Frank Brill, Kenny Cole, Janet Foster, Dean Hard, Herman Jooss, Don Keyes, Norma Miesse, James Shackson, Jim Singer, and John Zimmer.

publishing the school paper is the

Flashlight Staff

Entering the Tuberculosis Press Project and writing the school news for the Public Opinion are a few of the duties of the Journalism class, which makes up the staff of the school newspaper—the Flashlight.

This year the most outstanding event for the class of ten was a trip to New York City during the Easter vacation. Under the guidance of their adviser, Mrs. Lillian B. Gossett, the students participated in various money-making projects which helped to finance a part of the trip.

The positions on the staff of the Flashlight are rotated for each edition in order to provide experience in each of the fields of journalism. The only permanent members of the staff are the Sports Editor, Bill Skaates and the Editor-In-Chief, Zoe Bargdill. Other staff members are Ruthanne Stanfield, Gayle Davie, Larry Rood, Sarah Howard, Joyce Miller, Barb Pecko, Erna Lund and the only junior member, Dawn Watterman.

looking toward new horizons are the

Future Homemakers Of America

Growing in the appreciation of the joys and satisfaction of homemaking, the Future Homemakers of America enjoyed a very successful year under the direction of Mrs. Mae Frost.

Among the many worthwhile projects were the running of the concession stand at the football games, selling basketball schedule pencils, serving the FFA banquet, collecting sales tax stamps, contributing to the Christmas fund, and having the County FHA Rally at our school.

The officers were: Ann Zimmer, president; Jennie Bossetti, vice-president; Lois Loop, secretary; Lola Meredith, treasurer; Marian Miller, parliamentarian; Barbara Sanford, historian; Jane Wilson, song leader; and Mary Stokes, reporter.

our farms of tomorrow are in the hands of the

Future Farmers Of America

As we follow the FFA through the past year, we find that many interesting activities were held. In June Dennis O'Keefe walked off with top honors in the state extemporaneous public speaking contest. The state judging contests were also held in June, and Westerville again was in the spotlight as they won third award in the dairy judging contest.

Once more crops, which yielded a record wheat crop of 35 bushels per acre, were harvested from the Caldwell farm, the chief farming project of the year.

Seven boys attended the FFA camp in Muskingum County in August. September was the month for the freshman initiation when nine frosh successfully passed and were given "Green Hand" awards.

The National FFA Convention, held in Kansas City, was attended by seven boys, and Mr. Griffith, their adviser, where they heard President Eisenhower address the future farmers on the twenty-fifth anniversary of their organization.

Officers for the year were: Herman Jooss, president; Bob Wren, vice-president; Alan Thompson, secretary; Dennis O'Keefe, treasurer; Bill Renner, reporter; Harry Chandler, sentinel; James Moore, student adviser; Newt Wickline, photographer; and Dick Fisher, historian.

Bi-Phi-Chem Club

"What's new in the field of science?" is the question asked by the members of the Bi-Phi-Chem Club. The club is limited to those students who have taken biology, chemistry, or physics and have a genuine interest in science.

A trip to Perkins Observatory near Delaware, Ohio; a trip to the Physics laboratory at Otterbein College; and the annual spring picnic were some of the activities of the club.

The officers—Joyce Miller, president; Ralph Brehm, vice president; Sarah Howard, secretary; and Wade Barghausen, treasurer—were assisted in planning programs by Mr. Virgil Ashcraft, adviser.

blending their voices are the

Boys Glee Club

The Boys' Glee Club under the direction of Mr. Forrest A. Becker completed one of their most active programs to date.

Included among their activities were participation in the Christmas program with the Girls' Glee Club at the high school and the Masonic Temple, as well as the annual Spring Music Festival.

A barbershop quartet composed of Tom Blakemore, lead; Herb Stout, tenor; Don Keyes, baritone and Lew Radabaugh, bass was formed in the fall and took part in the yearly contest at Bexley High in April and also the S.P.E.O.B.Q.S.A. contest, winning the third place prize of \$100.

Officers for the glee club for the current year were: Don Keyes, president; Hans Schneider, vice-president; Frank Brill, secretary-treasurer; Chad Cooper and Denny Dean, librarians.

helping others is motto of the

Y-Teens

"To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians."

The Y-Teens had a busy year, highlighted by the annual Holly Prom with the theme, "Winter Wonderland," a variety assembly, a Christmas caroling party with the Hi-Y, selling beanies, and participating in several city-wide projects such as adopting Korea as part of the World Fellowship Program and having three Korean gentlemen speak to the student body, the Links Service Project, and the Pigskin Frolic.

The officers were Emily Bale, president; Agnes Lane, vice-president; Joan Dowell, secretary; Suzanne Rhodes, treasurer; Marilyn E. Miller, member at large.

Directing the largest organization in the school was Mrs. Rebecca Rupert, who willingly gave her time to assist the group.

encouraging leadership and character was the

Hi-Y

The Westerville Hi-Y with Mr. C. Frank Stallings, adviser, and Don Yantis, president, enjoyed a very active year.

Last summer Yantis and Wade Barghausen attended the Hi-Y officers' camp at Camp Nelson Dodd. Later, delegates attended Camp Wilson and the regional conference at Ohio University.

Bill Kegg and Dick Yantis spoke at two fall meetings concerning the Navy as a career. New members were inducted at the Westerville Methodist Church, December 13, bringing the total membership to 41.

Westerville was represented at County Citizenship Day and the State Youth in Government Model Legislature in Columbus. In January several members joined the county group touring the United Nations, New York City, and Washington D. C.

Officers for next year were installed in May. Two delegates will attend the National Hi-Y Congress at Miami University, Oxford, Ohio, sometime during the month of June.

Assisting President Yantis in his duties throughout the year were: Wade Barghausen, vice-president; Bill Skaates, secretary; Dick Close, treasurer; Mike Hanley, chaplain; Ken Cole, assistant chaplain; and Walter Shelley, sergeant-at-arms.

chorusing for all other events was the

Senior Girls Glee Club

"Let's try it again, girls," says Mrs. Betty Keig, vocal director of the Senior Girls Glee Club. The songsters have experienced a year of significant musical endeavors.

Talent and training paid big dividends in satisfaction and achievement for members of the WHS glee club, for both the school and the community took pride in the group.

In addition to many performances at assemblies and other school affairs, the group sang, by invitation, at local churches and before many organizations.

Some of the most outstanding features of the year's activities were: the Christmas assembly, the Masonic Temple Christmas program, the District Contest, Easter program and Baccalaureate.

Glenda Bergman, aided by Eileen Bunnell Noble, vice-president; Erna Lund and Barbara Sanford, secretaries; Shirley Metcalf, treasurer; Donna Ebright, and Dawn Watterman, librarians; and Emily Bale, publicity chairman, presided as president.

In former times it was necessary to arouse an interest, whereas today, interest is so great that members must be chosen from a large number of candidates. Thus, two divisions of the glee club have been formed—each practicing on a different day.

Otterbein College honored the girls by asking them to sing at a special assembly on campus in the spring. Their Women's Glee Club returned the favor by appearing before the high school the following week.

Freshman Girls Chorus

Fine work in vocal music has made the Freshman Girls Chorus one of the most popular singing groups at WHS.

The chorus was not only for entertainment, but also to deepen the girls' appreciation of music. Mrs. Betty Keig, the director, has encouraged the development of this future vocal talent tremendously.

The group sang publicly at the Thanksgiving program and went caroling at Christmas time.

The officers were: Janet Foster, president; Lois List, vice-president; Mary Lowry, secretary-treasurer; Marilyn Allton and Marilyn Shultz, librarians.

Every instrument from a violin to castanets is used by this group of musicians, who have gained in prominence, although this was only their second year since organization.

Their talent was quite evident on important occasions: the Spring Festival, Easter Program, Concert at Whittier School, and Commencement. As the group was fairly small, Mr. Forrest A. Becker, the director, was able to bring out the musical ability of every musician.

The officers, elected by their fellow players for this year, were: Norma Miesse, president; Lew Radabaugh, vice-president (also student director); Charlene Short, secretary; Bill Fleming, librarian; Jim Shackson and Jim Singer, managers.

National Thespians (Not Pictured)

The Westerville branch of the National Thespian Dramatic Honor Society, Troupe 513, is under the leadership of Mrs. Lillian B. Gossett, dramatic coach and sponsor.

To be a Thespian is the aim of all dramatic students. The requirements are established by the national headquarters and local chapter, with the basic idea of developing dramatic appreciation, interest, and ability in the secondary schools.

The points needed for membership include stage work, make-up skill, one major and two minor roles, and a costume scrap book. The boy and the girl with the highest number of points over fifty are named Best Thespians.

journalists vie for honor of

Quill And Scroll (Not Pictured)

One of the goals for journalism students is to be a member of Quill and Scroll, the International Honor Society for High School Journalists. The purpose of the society is to encourage and reward journalistic achievements. Among other things, an aspiring Quill and Scroll member must have scholastic standing in the upper third of his class, have done superior journalistic work, and have been recommended by the sponsor.

In the school year of 1952-53 three members of the present graduation class—Zoe Bargdill, Ruth Stanfield, and Bill Skaates—qualified for membership.

The sponsor of the local chapter is Mrs. Lillian B. Gossett, journalism instructor.

popular music for dances was provided by the

Swing Band (Not Pictured)

A very popular and greatly appreciated group in the high school is the Swing Band under the direction of Mr. Forrest A. Becker. The organization is a selected group of capable musicians most of whom are members of the regular band or orchestra.

Their calendar of events includes the Fall Homecoming Dance, the Winter Princess Dance, dances following basketball games and providing "sweet and swing" music for other school activities.

All proceeds from these dances are given to a worthwhile project—the purchase of new instruments for other school activities.

The members of the organization are: Lew Radabaugh, Herbert Stout, and Joe Green, trumpeters; Larry Milikan, and Stuart Miller, tenor saxophone; Jim Singer and Sue Bradney, alto saxophone; David Norris, baritone saxophone; Bill Fleming, string bass; Shirley Gallogly, Chad Cooper, and Jack Sanford, trombone; Jenny Sprague, Joyce Miller, and Millicent Mylander, piano; Pete Frevort and Jim Mills, drummers.

accuracy and efficiency best define the

Typing Club (Not Pictured)

The activities of the Typing Club are widespread and serve as benefits to both the school and the community. Under the direction of their officers—Eddie Billman, president; Marilyn Rose, vice-president; Shirley Metcalf, secretary—the members of the club assisted the Westerville Tuberculosis Society in the Christmas Seal Drive by addressing all the envelopes for the community.

In April this organization also sponsored the annual field tour of business offices of Columbus in which thirty seniors participated. This was an all-day trip highlighted by a banquet at a prominent Columbus restaurant.

The greatest asset of this typing club is the excellent work they have done for the *Searchlight* this year as in the past. At all times these typists are at the service of the annual staff, working diligently both in and out of class under the supervision of their typing instructor and club sponsor, Mr. Nolan E. Murphy.

The "W" Association is a group of Westerville High athletes who have earned a letter in one of the inter-varsity sports.

The letter awards which these boys receive and proudly wear are symbolic of sportsmanship, team loyalty, personal courage, and the will to win.

Included among their duties are the planning and the preparation of annual football and basketball banquets under the careful supervision of Mr. K. G. Weiss, the adviser.

Charming Ruthanne Stanfield was chosen to reign at Westerville High's second annual Winter Homecoming which was celebrated Friday, February 19. Princess Ruth was escorted by Kenneth Cole, president of the Senior class and the Student Senate. Attending her were Judy Lumbatis, senior

attendant, escorted by Don Yantis, vice president of the Senior class; Agnes Lane, junior attendant, escorted by Don Keyes, president of the Junior class; Elaine Kassner, sophomore attendant, escorted by Henry Cole, president of the Sophomore class; Marilyn Allton, freshman attendant, escorted by James Shackson, president of the Freshman class.

During the afternoon assembly, planned by the Student Council, Ruth was crowned 1954 Winter Homecoming Princess by Eva Holmes, last year's princess. Following the ceremony, a command performance was given by different students for the enjoyment of Ruth and her court. Gerald Hartman, varsity basketball coach, announced the captain for the evening's game—Eddie Billman.

Douglas Allton, brother of the freshman attendant, carried the ball to Ruth who presented it to the captain with her best wishes.

To climax the success of the Homecoming festivities the Westerville Wildcats trounced London in a thrilling victory 67-61 and immediately following, a dance was held in honor of the Homecoming Princess and her court.

W H S Marching Band

sound off 1 2 3 4 . 1 . 2 . 3 . 4 !

Tradition has it that students can yell louder if they have a band blowing in their ears and so it was during the sports seasons when this inspiring organization added greatly to the spirit of the W H S students.

The band serves as three units; a marching band for the football season, a pep band for the basketball games and pep rallies, and a concert band.

Mr. Forrest Becker, the conductor, spent many hours preparing these many projects with the help of the band officers, who were: Jim Singer, president; Pete Frevert, vice president; Larry Millikan, secretary-treasurer; Jo-Ann Holtsberry and Alice Matz, librarians; Jack Sanford, Alvin Budd, and Lloyd O'Keefe, managers; and Shirley Gallogly, uniform chairman.

The marching band starts to practice early in the fall even before school begins and continues fourth period each day and after school to bring about the fine half-time programs.

The concert band is the one unit that functions throughout the year. It worked in co-operation with the dramatic class to present the Homecoming assembly. The group worked hard in preparation for the annual band contest in March. Also in March it presented its annual Band Variety Show and the Spring Concert in May. The last event of the year was the Memorial Day Parade.

Money was earned from selling bracelets and candy and by giving the concerts to purchase a new baritone saxophone and a bass clarinet.

Senior Class Play

Back to the 1800's in jolly England, went the Senior class for their play, "Quality Street." This four-act comedy, written by James M. Barrie, was given on April 29 and 30, 1954. Mrs. Lillian B. Gossett, who has been directing plays at Westerville High School for the last eight years, coached the cast. The class sponsors were Mrs. Gossett, Mr. P. W. Davidson, and Mr. N. E. Murphy.

SENIOR CLASS PLAY—First-act cast members hold informal rehearsal on stage apron.

The plot centers around several maiden ladies who long for romance; yet they must be ladies at all times. The youngest, Phœbe, overjoyed by the return of Valentine (a former suitor) from Napoleonic Wars, throws off her drab clothes and prim manners and becomes the girl of her dreams. Unrecognized by all but her sister, Susan, Phœbe poses as her own niece only to find Valentine has discovered he loves Phœbe, drab clothes and all. To the dismay of the two sisters, Valentine learns of their deception. He declares his love for Phœbe to foil the gossipy ladies across the street and all ends happily.

Junior Class Play

The Junior class presented the rollicking comedy, "The Happier We'll Be," on November 19 and 20, under the competent direction of Mrs. Lillian B. Gossett and Mr. Lloyd Lewis, student director.

Class sponsors were Mrs. Mary Belle Clary, Mr. Virgil Ashcraft, and Mr. Kenneth G. Weiss.

TRIBUTE TO EMERSON

The population of the Westerville public schools has grown in the past few years to the extent that it became possible for the junior high to occupy a building of their own—Emerson.

Following the set fashion of the upper classmen, the pupils at Emerson formed a student council with three members of each room acting as representatives. Student problems, school improvements, seasonal dances, class parties, and both educational and entertaining assemblies were among their many duties.

Football

This was the first season for the Emerson Junior High squad and also Head Coach William Snyder, who has served as assistant coach at Westerville High for the last two years.

With such an inexperienced eleven the Kittens were only able to compile a record of two losses and one tie. In none of the games was there a difference of more than one touchdown, and Emerson should field a greatly improved team next year.

Halfback Ellis Williams was, without a doubt, the individual star for the Kittens as he scored all of the team's points for the entire season—a total of six touchdowns for 24 points.

Boys on the bench eagerly await the word to go into the game.

Basketball

Coach William Snyder's junior high cagers ended up the season with their first win after ten losses as they downed a fighting Worthington quintet, 35-29.

John Novotny, Curt Clapham, Don McElwee, Bob Lengl, and Dave Haberman all shared in the scoring honors and should provide Charles Owen, frosh mentor, with some good material for next season.

Which is stronger?

IT'S the one on the right because it's a door of an American home. No one can get through without permission. Not even a policeman, unless he has a search warrant.

Here, in America, your right to freedom from search without warrant is guaranteed by The Constitution itself.

How different behind the iron curtain! There, the people have no such protection. And even a solid oak door, strong enough to guard a fortress, can't keep out the secret police. When they want in they get in, eventually, even if they have to use a battering ram. But the flimsiest screen door in America can keep out the police unless they have a search warrant.

Because we Americans take our rights for granted, it's hard to believe that there are "pinkos" and fellow-travelers amongst us who want to take away our freedom from search without warrant. It's just part of their plan to steal all our rights, like the right to own property, the right to work wherever we please, the right to vote secretly and all the rest.

The best way to protect a right is to use it. So if you ever hear anyone come out in favor of permitting arbitrary search and seizure on some pretext or other, set him straight! Remind him that freedom from search without warrant is a right guaranteed every American by The Constitution.

Remember, they're *your* rights, so treat them *right*!

DO YOU KNOW YOUR RIGHTS?

As Americans, we have the greatest freedom and the highest standard of living in the world. Help keep it that way by knowing your rights and guarding them well. Some of them are:

- Freedom of worship
- Right to secret ballot
- *Right to know how your union spends your dues
- Freedom of speech
- Freedom of the press
- Right to criticize officials
- *Right to know salaries of your union officers
- Freedom from search without warrant
- Right to petition government for redress of grievances
- *Right to know if your union officers are Communists
- *Right to know how your union is run
- Right to speedy and public trial by jury
- Right to help of a lawyer
- *Right to hear your employer's side of disagreements
- Right not to appear as a witness against yourself
- *Right to refuse to permit the "check-off" of union dues
- *Right to go direct to your boss with a grievance
- Right to be presumed innocent until proved guilty
- Freedom to own property
- *Right to work despite union jurisdictional disputes
- Freedom to work in any locality
- *Right to proper supervision of your union welfare funds
- Freedom to start and manage a business
- Freedom to make a profit
- *Right not to be fired by union leaders
- **Right to vote on company's best offer

*These are rights you enjoy under the Taft-Hartley law.
**This is a right enjoyed by members of United Steel Workers, C.I.O. only when the Taft-Hartley law is invoked.

**THEY'RE YOUR RIGHTS,
TREAT THEM RIGHT!**
